- Reclassification of Major MACT Sources to Area Sources (OIAI) (Part 63 Subpart A) (SAN: 4908, Tier 2, Sara Ayres). OAQPS agreed to request from OECA/OP for up-tier. Agreed to waiver of Analytic Blueprint 9/25/18. Options Selection held 10/18/18. FAR held 11/15/18, OECA concurred with comment about proposed (but not yet final) changes to FAR package. AED has lead for FAR memo as changes relate to discussion of federal enforceability of PTE limits required for sources to reclassify. Also, a draft guidance memo on how applicability determinations should reference the 2018 Wehrum Memo on Reclassification with joint signature from OECA/OAR AAs to the RA's, sent with OECA's final edits to OAQPS for final review 11/19/18.
